GENERAL CONDITIONS

The General Conditions which follow apply to and are a part of this Invitation to Bid unless otherwise specified herein. Subject to State and County laws and all rules, regulations and limitations imposed by legislation of the Federal Government, responses on all advertisements and invitations issued by the Jackson County Purchasing Department will bind Respondents to applicable conditions and requirements herein set forth unless otherwise specified in the Invitation to Bid. Respondents or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting a response to a bid; failure to do so will be at the Respondent's own risk and he cannot secure relief on the plea of error.

1. **Withdrawal of Response to Bid:** A written request for the withdrawal of a bid or any part thereof may be granted if the request is received in the Office of the Director of Finance and Purchasing prior to the response deadline.
2. **Completeness:** All information required by the Invitation to Bid must be supplied to constitute a proper bid. Respondents shall not alter the Invitation to Bid documents except upon instruction by receipt of addendum. Respondents shall furnish information required by the invitation in the form requested. The County reserves the right to reject bids with incomplete information or which are presented in a form other than that requested in this Invitation to Bid. Bids must be submitted in "hard copy" form. Bids submitted electronically, on computer diskettes, or by FAX will not be considered by the County.
3. **Bids Binding For 90 Days:** Unless otherwise specified all bids submitted shall be binding for ninety (90) calendar days following the response deadline, unless the Respondent(s), upon request of the Director of Finance and Purchasing, agrees to an extension.
4. **Exceptions:** Conditional or qualified bids are subject to rejection in whole or in part. All exceptions to the specifications of this Invitation to Bid must be made in writing and attached as Exhibit F to the bid when it is submitted by the Respondent. The County will consider minor exceptions to its specifications. A minor exception is one which is a matter of form, not substance. The minor exception is considered immaterial and inconsequential when its significance to price, quantity, quality, or delivery is trivial or negligible when contrasted with total scope of the Invitation to Bid (ex: comparable manufacturer or alternate bids where allowed by the Invitation to Bid). The County will not consider exceptions to its General Conditions, Forms, or Insurance Requirements. The County reserves the right in its sole discretion to accept or reject any exceptions included in Exhibit F. Exceptions made in any other manner or form whether by omission or by inclusion in any other manner other than as specifically entered and described in full on Exhibit F shall not be made a part of the resulting contract. Exceptions which are made by the Respondent and entered on Exhibit F and determined to be acceptable to the County shall be made a part of the resulting contract by inclusion as a provision of a mutually executed Amendment to the contract. Exceptions which are not made a part of said Amendment shall not be included in the contract nor be binding upon the County and the specifications of the Invitation to Bid shall prevail.
5. **Questions Regarding Specifications:** Any information relative to interpretation of specifications shall be requested of the Purchasing Supervisor, in writing, in ample time before the response deadline. All questions must be received in the Office of the Purchasing Department by **5:00pm CST on November 30, 2021**. Any interpretation made to prospective respondents will be expressed in the form of an addendum to the Invitation to Bid which, if issued, will be posted no later than three (3) business days before the response deadlines. Addendums to this Invitation to Bid will be posted on the County's website @ www.jacksongov.org. Oral answers will not be binding on the County. Each respondent shall ascertain prior to submitting his bid that he has received all Addenda issued and shall acknowledge the receipt of such on the form provided herein. Failure to adhere to this policy may cause your bid to be REJECTED.
6. **Multiple Bids:** No Respondent will be allowed to offer more than one bid on each item requested even though he may feel that he has two or more types or styles that will meet specifications. **IF SAID RESPONDENT SHOULD SUBMIT MORE THAN ONE BID ON ANY ITEM REQUESTED, ALL BIDS FOR THAT ITEM MAY BE REJECTED AT THE DISCRETION OF THE DIRECTOR OF FINANCE AND PURCHASING.**
7. The County reserves the right to split the award of the bid, reject any or parts of bids, to waive technical defects in bids, consider administrative costs and to select the bid(s) deemed most advantageous to the County. The County shall consider bids submitted on an "all or nothing" basis only if the bid is clearly designated as such by the Respondent, affixing the words "ALL OR NOTHING" on the quotation portion of the Invitation to Bid.
8. **Applicable State Law:** The contract shall be construed according to the laws of the State of Missouri. The Contractor must be registered and maintain good standing with the Secretary of State, of the State of Missouri and other regulatory agencies as may be required by law or regulation.

9. Communications and Notices: Any notice to the Contractor shall be deemed sufficient when deposited in the United States Mail postage prepaid; faxed; e-mailed; delivered to a telegraph office fee prepaid; or hand-carried and presented to an authorized employee of the Contractor at the Contractor's address as listed on the signature page of the contract or at such address as the contractor may have requested in writing.

10. Bankruptcy or Insolvency: Upon filing for any bankruptcy or insolvency proceedings by or against the Contractor, whether voluntary or involuntary, or upon the appointment of a receiver, trustee, or assignee for the benefit of creditors, the Contractor must notify Jackson County's Director of Finance and Purchasing immediately in writing. Upon learning of the actions herein identified, Jackson County reserves the right at its sole discretion to either affirm the contract or cancel the contract and hold the Contractor responsible for damages.

11. Patents: Contractor agrees to defend, indemnify, protect, and save harmless, Jackson County, Missouri, against all claims for royalties for patents or suit for infringement thereon which may be involved in the manufacture or use of the materials or items to be furnished.

12. By virtue of statutory authority, the Director of Finance and Purchasing shall give preference to all commodities manufactured, mined, produced, or grown within the State of Missouri and to all firms, corporations or individuals doing business as Missouri firms, corporations, or individuals, when quality is equal or better and delivered price is same or less.

13. Material Standards: All material or equipment furnished shall meet the minimum requirements of the Occupational Safety & Health Standard (OSHA) published in the Federal Register.

14. Tax Clearance Required: No person, firm or corporation, resident in Jackson County, or otherwise legally within the taxing jurisdiction of the County, shall be eligible to provide any goods, contractual services or anything covered by the County Purchasing Ordinance, unless said person, firm or corporation is duly listed and assessed on the County tax rolls, and is in no way delinquent on any taxes payable to the County. Further, no person, firm, or corporation, regardless of state of residency, shall be eligible to provide any goods, contractual services, or anything covered by this chapter, of a cost in excess of \$150,000 per annum, if that person, firm, or corporation is in any way delinquent on any taxes payable to any local government entity with which Jackson County has entered into an "Intergovernmental Agreement for Tax Verification Information".

Where any individual, firm or corporation is a resident of Jackson County, or it otherwise appears that such firm is legally within the taxing jurisdiction of the County, and has made an offer, bid, or quotation for any County purchase, or has submitted an application to be given an opportunity to make quotations for County purchases, the Director of Finance and Purchasing shall cause a search to be made of the County tax rolls, and, if applicable, an inquiry to be made of the appropriate personnel of any other local government entity with which Jackson County has entered into an "Intergovernmental Agreement for Tax Verification Information", to determine the eligibility of that person, firm or corporation under this section.

When the lowest/highest responsible bidder for a given Purchase Order or Contract is ineligible under this section, the Director of Finance and Purchasing may, where time is not of the essence to the County, notify the bidder and allow three (3) days for the bidder to correct the deficiency or pay up any delinquency involved. If the bidder fails, after such notice, to comply within three (3) days, or if the Director of Finance and Purchasing deems time to be of the essence, he shall proceed as though the next lowest/highest responsible bidder who is eligible under this section had entered the lowest/highest bid.

15. Insurance and Indemnification: The Successful Contractor shall defend, indemnify, and hold harmless Jackson County and any of its agencies, officials, officers, or employees from and against all claims, damages, liability, losses, costs and expenses, including reasonable attorney's fees, arising out of or resulting from any acts or omissions in connection with the operations or work included or undertaken in the performance of this contract, caused in whole or in part by Contractor, its employees, agents, or subcontractors, or caused by others for whom Contractor is liable. Contractor's obligations under this section with respect to indemnification for acts or omissions shall be limited to the coverage and limits of insurance that Contractor is required to procure and maintain under this Contract. Insurance shall be procured and maintained by Contractor as described in Exhibit A of this Invitation to Bid. Contractor shall file Certificates of Insurance with Jackson County Purchasing Department in the form described in Exhibit A within the time limit also described in the Exhibit.

16. The County is not responsible for articles or services furnished without a Purchase Order.

17. Inspection and Acceptance: Inspection and acceptance will be at destination. Prior to the time of delivery and acceptance by the County, or after any rejection, risk or loss shall be the responsibility of the Contractor unless loss results from negligence of the County.

18. Equal Opportunity: The Contractor shall maintain policies of employment as follows:

a) The Contractor and the Contractor's Subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, disability, or national origin. The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, religion, color, sex, disability, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the policies of non-discrimination.

b) The Contractor and the Contractor's Subcontractor(s) shall, in all solicitations or advertisements for employees placed by them or on their behalf, state that all qualified applicants will receive consideration for employment without regard to race religion, color, sex or national origin.

19. Foreign Corporations: Firms submitting bids as corporations which are not incorporated in the State of Missouri must include with their bid a copy of a properly executed **Certificate of Registration for Foreign Corporation** authorizing the firm to do business in the State of Missouri.

20. Errors in Bids: Respondent shall be bound by its bid even though the bid is based on an erroneous calculation, and Respondent shall have no right to withdraw its bid after the Response Deadline on the basis of an error in calculation of its bid. Carelessness in quoting prices, or in preparation of bid, will not relieve the Respondent in case of errors. Erasures or changes in bids must be initialed.

21. Omission in Bids: Omission in the bid of any provision herein prescribed shall not be construed as to relieve the contractor of any responsibility or obligation requisite to the complete and satisfactory operation of any and all equipment and services. Any exception to the bid must be in writing and not by omission.

22. No lowest/highest Respondent shall receive a business expectancy merely because his bid is the lowest/highest one received; until the contract has been awarded, no business expectancy exists.

23. Conflict of Interest: Respondent warrants that no officer or employee of the County, whether elected or appointed, shall in any manner whatsoever be interested in or receive any benefit from the profits or emoluments of this contract.

No official or employee of Jackson County or its governing body and no other public official in Jackson County who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of the project covered by this contract shall voluntarily acquire any personal interest, directly or indirectly, in this contract.

The Contractor covenants that he/she presently has no interest and shall not acquire any interest, directly or indirectly, which would conflict in any manner or degree with the performance of the services hereunder. The Contractor further covenants that no person having any such known interest shall be employed or conveyed an interest, directly or indirectly, in this contract.

24. It shall be the responsibility of all Respondents to warrant that all goods, services and/or work to be procured and/or performed under this contract shall conform to and/or be performed in compliance with all applicable Federal, State and Local Statutes, Ordinance and Codes including but not limited to the American with Disabilities Act of 1990. Failure to comply in any manner with applicable Statutes, Ordinances or Codes shall result in said Contractor replacing the goods, services and/or work performed in order to effect compliance or in liquidated damages in the amount required to effect compliance with said Statutes, Ordinance and Codes together with any costs associated with collection of said damages.

25. Bidder certifies that all goods to be supplied to the County as a result of contracts awarded under this Invitation to Bid were produced in compliance with all applicable requirements of sections 6, 7, and 12 of the Fair Labor Standards Act, as amended, and of regulations and orders of the United States Department of Labor issued under section 14 thereof.

26. Fund Allocation: Continuance of any resulting agreement, contract, or issuance of purchase orders after December 31 of the current calendar year is contingent upon the allocation of County funds for the next proceeding calendar year.

27. Qualifications of Bidders: The County may make such reasonable investigations as deemed proper and necessary to determine the ability of the bidder to perform the work and the bidder shall furnish to the County all such information and data for this purpose, as may be requested. The County reserves the right to inspect bidder's physical plant prior to award to satisfy questions regarding the bidder's capabilities. The County further reserves the right to reject any bid if the evidence submitted by or investigations of such bidder fails to satisfy the County that such bidder is properly qualified to carry out the obligations of the contract and to complete the work contemplated herein.

28. Except for the furnishing and transportation of materials, the Contractor shall not sublet, sell, transfer, assign, or otherwise dispose of any portion of this contract to any individual, firm, or corporation without written consent of Jackson County. This consent of the County will not be given unless, and until the Contractor has submitted satisfactory evidence that the proposed subcontractor is qualified to execute the work and has an Affirmative Action Plan acceptable to the County, together with a complete copy of the subcontract if so requested by the County. The subcontract shall bind the subcontractor to comply with all requirements of this contract including but not limited to wage rates, equal employment opportunity regulations, submittal of payrolls, etc. Assignment of the entire contract may be made only upon written consent of the County.

No assigning, transferring, or subletting, even though consented to, shall relieve the Contractor of his liabilities under this contract.

The Contractor shall give his personal attention to any portion of this contract which has been sublet and he shall be responsible for its proper completion.

The Contractor, as a condition of this contract, is responsible for assuring submission of proof or documentation regarding Affirmative Action Compliance by his subcontractors and for the subsequent Affirmative Action performance by such subcontractors.

Jackson County reserves the right to approve or reject the Bidder's proposed subcontractors in accordance with these and any other requirements of this Invitation to Bid.
