GENERAL CONDITIONS

The General Conditions which follow apply to and are a part of this Request for Qualifications unless otherwise specified herein. Subject to State and County laws and all rules, regulations and limitations imposed by legislation of the Federal Government, responses on all advertisements, and invitations issued by the Jackson County Purchasing Department will bind Respondents to applicable conditions and requirements herein set forth unless otherwise specified in the Request for Qualifications. Respondents or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and scope of services before submitting proposals; failure to do so will be at the Respondent’s own risk and he cannot secure relief on the plea of error.

1. Withdrawal of Proposals: A written request for the withdrawal of a proposal or any part thereof may be granted if the request is received in the Office of the Director of Finance and Purchasing prior to the response deadline.

2. Completeness: All information required by the Request for Qualifications must be supplied to constitute a proper proposal. Respondents shall not alter the Request for Qualifications documents except upon instruction by receipt of addendum. Respondents shall furnish information required by the Request for Qualifications in the form requested. The County reserves the right to reject proposals with incomplete information or which are presented in a form other than that requested in this Request for Qualifications. Proposals must be submitted in “hard copy” form. Proposals submitted electronically, on computer diskettes, or by FAX will not be considered by the County.

3. Proposals Binding For 90 Days: Unless otherwise specified all proposals submitted shall be binding for ninety (90) calendar days following the response deadline, unless the Respondent(s), upon request of the Director of Finance and Purchasing, agrees to an extension.

4. Exceptions: Conditional or qualified proposals are subject to rejection in whole or in part. All exceptions to the scope of services for this Request for Qualifications must be made in writing and attached as Exhibit F to the proposal when it is submitted by the Respondent. The County will consider minor exceptions to its requirements. A minor exception is one which is a matter of form, not substance. The minor exception is considered immaterial and inconsequential when its significance to price, quantity, quality, or delivery is trivial or negligible when contrasted with total scope of the Request for Qualifications (ex: comparable manufacturer or alternate proposals where allowed by the Request for Qualifications). The County will not consider exceptions to its General Conditions, Forms or Insurance Requirements. The County reserves the right in its sole discretion to accept or reject any exceptions included in Exhibit F. Exceptions made in any other manner or form whether by omission or by inclusion in any other manner other than as specifically entered and described in full on Exhibit F shall not be made a part of the resulting contract. Exceptions which are made by the Respondent and entered on Exhibit F and determined to be acceptable to the County shall be made a part of the resulting contract by inclusion as a provision of a mutually executed Amendment to the contract. Exceptions which are not made a part of said Amendment shall not be included in the contract nor be binding upon the County and the scope of services for the Request for Qualifications shall prevail.

5. Questions Regarding Scope of Services: Any information relative to interpretation of scope of services shall be requested of the Purchasing Supervisor, in writing, in ample time before the response deadline. All questions must be received in the Office of the Purchasing Department by 5:00 PM, CDT on March 26, 2019. Any interpretation made to prospective respondents will be expressed in the form of an addendum to the Request for Qualifications which, if issued, will be posted no later than three (3) business days before the response deadline. Addendums to the Request for Qualifications will be posted on the county’s website @ www.jacksongov.org. Oral answers will not be binding on the County. Each respondent shall ascertain prior to submitting his proposal that he has received all Addenda issued, and shall acknowledge the receipt of such on the form provided herein. Failure to adhere to this policy may cause your bid to be REJECTED.

6. The County reserves the right to split the award of the contract, reject any or parts of proposals, to waive technical defects in proposals, consider administrative costs and to select the proposals(s) deemed most advantageous to the County. The County shall consider proposals submitted on an “all or nothing” basis only if the proposal is clearly designated as such by the Respondent, affixing the words “ALL OR NOTHING” on the quotation portion of the Request for Qualifications.

7. Applicable State Law: The contract shall be construed according to the laws of the State of Missouri. The Contractor must be registered and maintain good standing with the Secretary of State, of the State of Missouri and other regulatory agencies as may be required by law or regulation.

12. Material Standards: All material or equipment furnished shall meet the minimum requirements of the Occupational Safety & Health Standard (OSHA) published in the Federal Register.

13. Tax Clearance Required: No person, firm or corporation, resident in Jackson County, or otherwise legally within the taxing jurisdiction of the County, shall be eligible to provide any goods, contractual services or anything covered by the County Purchasing Ordinance, unless said person, firm or corporation is duly listed and assessed on the County tax rolls, and is in no way delinquent on any taxes payable to the County. Further, no person, firm or corporation, regardless of state of residency, shall be eligible to provide any goods, contractual services, or anything covered by this chapter, of a cost in excess of $150,000 per annum, if that person, firm or corporation is in any way delinquent on any taxes payable to any local government entity with which Jackson County has entered into an “Intergovernmental Agreement for Tax Verification Information”.

When the lowest/highest responsible bidder for a given Purchase Order or Contract is ineligible under this section, the Director of Finance and Purchasing may, where time is not of the essence to the County, notify the bidder and allow three (3) days for the bidder to correct the deficiency or pay up any delinquency involved. If the bidder fails, after such notice, to comply within three (3) days, or if the Director of Finance and Purchasing deems to be of the essence, he shall proceed as though the next lowest/highest responsible bidder who is eligible under this section had entered the lowest/highest bid.

14. The County is not responsible for articles or services furnished without a Purchase Order.
